12 – 14 May | NZICC, Tāmaki Makaurau/Auckland

Stormwater Innovation Presentation

The Stormwater committee invites you to present your innovative project, process, technology or idea to a wide audience of stormwater professionals at the Stormwater Conference Innovation Showcase.

- Do you have a project with a unique solution you'd like to share?
- Have you had success in the engagement with stakeholders using a new framework or tool?
- Do you have a new digital platform or process which aids in the analysis, communication, or operation of stormwater systems?
- Are you presenting a paper on an innovative or project that you'd like to share to a wider audience?

Your presentation will be no more than five minutes, followed by up to two minutes of quick-fire questions from the panel of judges and two minutes for the audience to ask questions.

The event is open to public and private organisations, including Local Authorities, Research Companies, Academia, Industry, Business, Contractors, Consultancies, and Individuals.

Essential Requirements

- The entry must involve a new technology, application, programme, service, process or idea aimed at improving stormwater outcomes across Aotearoa New Zealand.
- At least one presenter must be available to attend the presentation, being held at the Stormwater Conference & Expo **Wednesday 13 May**.
- Entries/entrants must be prepared to provide documentation to validate any claims that are made concerning the intellectual property underlying their business plans, including any claims concerning the licensing of Third-Party IP.
- Additional details on selection, speaking and judging criteria will be provided.
- Judges will review all submissions and shortlist the finalists to present at the conference.

Judging & Award

At the end of the Innovation Showcase the judges and audience will cast votes for the innovation which is considered to have the largest positive impact on the stormwater industry, best aligns with the conference themes, or is just simply the coolest.

The Stormwater Innovation Award will be presented at the Stantec Conference Dinner, Wednesday 13 May 2026

The call for Innovation submissions will close at 5pm on Tuesday 24 March 2026
